

Our Commitment to Your Privacy

Your privacy is important to us, and we are committed to respecting the privacy rights of users of the Galaxy-Recovery.com services. We have designed this policy to help you understand how we collect and use the information you decide to share, so that you make informed decisions when using the Galaxy-Recovery.com services.

Information We Collect

As with most websites, we collect the following two types of information: (1) Personally identifiable information that is voluntarily provided by users (i.e., information that a user provides that allows us to identify and contact that user, such as their name, address or email), and (2) Non-personally identifiable information (e.g., information that is automatically collected such as the type of web browser, IP address, etc., that does not by itself identify a specific individual).

We only collect personally identifiable information that you voluntarily provide to us. If you do not want this information to be collected by us, please do not submit it.

Additionally, should a user contact Galaxy-Recovery.com on his/her own initiative or respond to a communication from Galaxy-Recovery.com, we may collect the information submitted.

Information Use

Galaxy-Recovery.com uses information obtained from its users and other visitors as described in this Policy, with the primary goal being to enhance user's experiences on the Galaxy-Recovery.com website. We may use this information to deliver the services requested by users, to provide users with technical support, to enforce our Terms of Use, to communicate with users, to develop and display content and advertising tailored to your interests, and to manage our business operations. We may use information to perform other functions as otherwise described to you at the time of collection.

Galaxy-Recovery.com may use information collected (without identifying you as an individual) to third-parties for purposes of aggregating data. We do not link aggregate user data with personally identifiable information.

Information that does not personally identify you as an individual that is collected by Galaxy-Recovery.com from the site (such as, by way of example, patterns of utilization) is exclusively owned by Galaxy-Recovery.com. This information can be utilized by Galaxy-Recovery.com in such manner as Galaxy-Recovery.com, in its sole discretion, deems appropriate.

Information Sharing

Galaxy-Recovery.com takes the privacy of our users very seriously. We will never sell, rent, or otherwise provide your personally identifiable information to any third-parties for marketing purposes without your express permission. Galaxy-Recovery.com will only share collected information for the limited purposes set forth in this Privacy Policy.

Links/Information Collected by Third-Party Sites

Galaxy-Recovery.com contains links to other third-party websites. Please be aware that third-party websites also may collect information from you. We are of course not responsible for the privacy practices of other websites. We encourage our users to be aware when they leave our site to read the privacy statements of each and every website that collects personally identifiable information. This Privacy Policy applies solely to information collected by Galaxy-Recovery.com.

Security

The security of your personal information is important to us. Galaxy-Recovery.com takes appropriate precautions to protect our users' information. However, no method of transmission over the Internet, or method of electronic storage, is 100% secure. Accordingly, we cannot ensure or warrant the security of any information you transmit to Galaxy-Recovery.com and you do so at your own risk. Once we receive your transmission of information, Galaxy-Recovery.com makes commercially reasonable efforts to ensure the security of our systems. However, please note that this is not a guarantee that such information may not be accessed, disclosed, altered, or destroyed by breach of any of our physical, technical, or managerial safeguards.

If Galaxy-Recovery.com learns of a security systems breach, then we may attempt to notify you electronically so that you can take appropriate protective steps. Galaxy-Recovery.com may post a notice on the Galaxy-Recovery.com website if a security breach occurs.
